LIBERIA ELECTRICITY REGULATORY COMMISSION**

BOARD RESOLUTION

No. : LERC/BOC/R0014/2022

RE: Approval of Electricity Distribution Code

WHEREAS the Liberia Electricity Regulatory Commission, ("the Commission") is an autonomous and independent entity established by Chapter 13 of the 2015 Electricity Law of Liberia;

WHEREAS Section 3.3 (Powers and Duties of the Regulator) of the 2015 Electricity Law of Liberia mandates the Commission to, amongst others, establish technical and performance standards for the Electricity Sector.

WHEREAS Section 3.3 A (5) of the 2015 Electricity law of Liberia provides that the Regulator establish, maintain, review, and amend as appropriate technical and performance standards for the electricity sector and monitor and enforce compliance with such safety standards; and

WHEREAS it is well settled that the Electricity Distribution Code when promulgated by the Commission will set out the procedures for planning and operation of the distribution network during normal and exceptional conditions and serve as a guide to operators under the mini-grid code in the development and planning of their isolated mini- grid networks and systems especially if they plan or are expected to interconnect to the distribution network in the future.

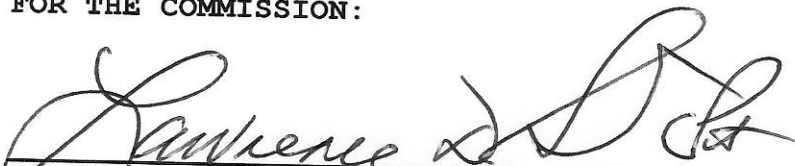

NOW THEREFORE:

RESOLVED, that the Board of Commissioners has approved the Electricity Distribution Code.

FURTHER RESOLVED, that the Electricity Distribution Code shall take effect from the date of this approval.

IN WITNESS WHEREOF, WE HEREUNTO SET OUR HANDS AND AFFIX OUR SIGNATURES THIS 13th DAY OF JUNE, A.D. 2022.

FOR THE COMMISSION:

NAME : LAWRENCE D. SEKAJIPO, CPA, CFE, DBA, JSM
TITLE: CHAIRMAN

NAME: MICHAEL P. KORKPOR, ESQ.
